

Utange Orphans Charity

Christmas Appeal

The picture above is a plot we've bought next to Celebration High School. It may not look very exciting but please read on The tractor is preparing the land for foundations to be dug for a new building. Our vision is to build a "Vocational Training Centre" to further help the poor and disadvantaged students in our care. Since opening Celebration High School in 2019 we've seen many graduate. Not all students have been successful in gaining a university place, many have struggled to get a job as don't have a skill. Training the students in plumbing, electrical, tailoring, carpentry will better equip them for the workplace.

We're so grateful for your loyalty and commitment in supporting our charity over the years. It's been quite astounding to witness first hand what we've achieved together. If you're able to spare an extra gift this Christmas to help us continue to transform the lives of orphans and their families by building and equipping the Vocational Training Centre, that would be awesome! Thank you so much for your kindness and generosity.

Blessings on your Christmas and we wish you a Peaceful and Prosperous New Year.
