

Thank you for your generous giving in response to our charity Christmas Appeal. Donations have brought us this far with building the Vocational Training Centre for our students at Celebration High School. We're grateful to have enough money left to put the roof on before the heavy rains come next month. Trusting we will be able to complete and equip the VTC by the end of 2025. It will mean our graduating students can train for a year, receive a certificate and leave with a skill. Making it easier to get a job..

Christmas holidays saw our Casuarina kidz return for our annual treat for them at our home. Doesn't matter how old they are they love to gather together for Paul's silly games on the beach, swimming in the sea followed by soda and as much chicken biryani as they can eat! You may recognise Winnie in front in the picture above from my Nov 2024 newsletter. She'd just graduated from catering college and I'm pleased to report she's secured a job at Travellers Hotel on Bamburi beach. Well done Winnie!

Our annual sponsor trip have just left after experiencing a life changing 2 weeks. Volunteering with our projects, going on safari whilst based at the beautiful Severin Sea Lodge Hotel by the Indian Ocean. The highlight for many was the feeding programme. The group served 500 orphans with a hot meal then gave out maize flour along with donated items they brought with them. They were game for a laugh and joined in Paul's antics at 500club run beforehand.
