Celebration High School to open January 2019

We're very excited to announce that phase one (ground floor) of "Celebration High School" for orphans and disadvantaged children will officially open January 2019....hurrah! This will be such a special time as it will also be our 10th anniversary since opening Casuarina House, so a double celebration! It seems very fitting to arrange a trip for supporters to join us for the cutting of the ribbon at the opening ceremony. (Part of block A & inside a classroom shown below)

You could be at the Opening Ceremony!

Departing January 24th for two weeks, staying at the luxurious Severin Sea Lodge Hotel (below left), perfectly situated on the edge of the Indian Ocean: www.severinsealodge.com.

As well as relaxing and attending the opening ceremony you will also have the opportunity to visit Casuarina House and FEED500.

We've included a 3 day safari for those who want to experience all Kenya has to offer. Cost for flight incl.hotel plus safari is approx. £1,500 per person. \$ 2,000. Euros 1,700. SEK 17,000

Please contact me if interested in joining us for this unique vacation

School Sponsors

FEED500 is now in its 7th year and continues to be a lifeline for many. I've said before, if you ask any poor child in the village what they desire, all will tell you food and an education. So we're thrilled our vision of being able to offer secondary education to the poorest is finally coming to fruition.

We're seeking sponsors (£350 per year) for children like Amani pictured below outside his mud hut home. Amani is on our feeding programme. Dad died leaving Mum with him and 2 younger siblings living in poverty. Amani is in his final year at a government primary school which is free, but doesn't have money for fees to progress to secondary level. Thankfully with Celebration High School opening it means he'll be able to continue learning with sponsored education. Amani is very bright, position 3 in his class of 76 students. He told me he's determined to finish no.1 this year! He and others like Amani will now have the chance to achieve more than their circumstances dictate and have hope for a brighter future.

Christmas outing

Our Christmas outing was fun this year as our Casuarina kids were invited to camp overnight at Footprints Orphanage in Shimba Hills. It was a 3 hour journey from Utange crossing over on the ferry with some stunning lush green scenery en route. The two Homes enjoyed volleyball, football and basketball competitions during the day and singing and dancing around the camp fire in the evening. Not much sleep was had as the children from both Homes were excitedly chatting through the night! A special time for everyone with new friends made. We plan to reciprocate with a trip to Utange next Christmas!
