Utange Orphans Kenya
Registered Charity 1160637

Our Karate team took part in the inter county schools karate competition this term. It was based on individual performance. The boys were very pleased to receive their certificates, achieving positions 2, 3 and 4. They are pictured above with Headmaster (next to me) and teacher Edwin the karate teacher. Extra curricular activities and competitions are very popular at CHS and students are encouraged to participate in at least one to help build their self esteem as well as discover hidden talents.

In our Casuarina corner we have our youngest girl and boy Mariamu and Kadenge. Both are 19 years old and have just graduated from boarding school after sitting final exams. Now back at Casuarina they are awaiting results. Both desire to gain a university place and study medicine. There was always friendly rivalry between them for position one when they were in the same class at primary school. Now they are just so pleased to be back home together after 4 years apart attending different schools.

Utange Orphans
Kenya
Registered Charity 1160637

Feed500 continues as a source of nurture for the hungry orphans in Utange. Running for over 13 years now and the need is still as great as it was at the beginning. Except now we're able to do more than just feed the children. We educate them at high school and soon will offer vocational training, giving them a real chance for a brighter future. Any poor child in the village will tell you what they want most is food and a sponsor for their education. It's their chance of escaping their poverty trap.

Lastly, please find attached our Christmas appeal. Our aim is to further equip and empower the poor and needy to a point where they can support themselves and their families. If you've already received in the post kindly ignore.

Thank you for your help and kind words of encouragement. Wishing you all a very Merry Christmas and Happy New Year!

God bless,

Debbie Scott-Robinson
